

Studio J & Wilhelm Dance / Onsite & Supervised Learning Bubbles

Notice of Policies and Procedures to Comply with State Department of Health Guidelines on COVID-19 Prevention and Precautions

Studio J and Wilhelm Dance have worked diligently following the Ohio Department of Health / Governor Dewine's guidelines for reopening businesses. We can assure you that our facilities comply with COVID-19 prevention and precaution guidelines. Listed below you will find the details outlining the steps we are taking to provide families a safe place for their children to study with support and social interaction in a safe way.

| | |
|-------------------------------|---|
| Facility / Study Rooms | <p>Spacing / Capacity</p> <ul style="list-style-type: none"> ● Upon entry into the building there will be a designated area for street shoes and a shelving unit with individual cubbies for lunches and backpacks. ● Water coolers will not be available at this time. ● Students should bring their own filled water bottles. ● The only food allowed in the facility should be packed in a lunch box / bag and there will be designated times and spaces for eating. ● There are 3 learning bubbles / rooms within the facility and each room will be sectioned off with a designated entrance / exit space and restroom for each study area. (details under the Students / Families section) ● Tables within each study room will be marked with assigned spaces to allow for at least a 6 foot distance between students, along with plexiglass between each workstation. <p>Sanitation</p> <ul style="list-style-type: none"> ● Students and all employees are required to wash hands upon entry into the building. ● Sanitizer is available throughout the facility and students / teachers are required to use sanitizer each time they exit the study room. ● All tables, chairs, plexiglass, door knobs, light switches and other "high touch" areas will be wiped down and disinfected after each class and periodically throughout the day. ● Deep cleaning will occur after hours, which will include disinfecting all floors and carpets throughout the facility with an approved EPA/CDC disinfectant product. <p>Signage</p> <ul style="list-style-type: none"> ● Signs will be posted upon entry and throughout the space reminding students to wash hands, keep physical distance and to wear facial coverings / masks in the facility. |
|-------------------------------|---|

| | |
|--|--|
| <p>Restrooms</p> | <ul style="list-style-type: none"> ● Restrooms will be cleaned and disinfected every 2 hours using EPA-registered disinfectants, with close attention to high-touch surfaces such as faucets, toilets, doorknobs and light switches. ● As stated earlier, there are 3 rooms / learning bubbles that will be sectioned off from each other with their own designated restroom. |
| <p>Adult Facilitators / Staff</p> | <ul style="list-style-type: none"> ● All adult facilitators / staff will receive information on COVID-19 prevention. ● Adult facilitators / staff will take their temperature and perform a self-assessment prior to arrival and not report to work if they are ill or exhibiting symptoms of COVID-19. ● Facial coverings / masks will be required for all staff. ● Facilitators will meet their assigned students at the door each morning. The staff and all students will be required to wash their hands prior to heading into their learning bubble. ● Facilitators will take attendance for each class, and a daily log will be kept to ensure easy access to information for potential contact tracing if needed. |
| <p>Students / Families</p> | <ul style="list-style-type: none"> ● There will be 3 entrances set up for entry into the building. Students are to enter at their pre-assigned door. Classroom A (enter through back door), Classroom B (enter through side door) or Classroom C (enter through front door). Signs will be located on the doors to guide you to the correct entrance based on where each class will take place. ● Please do not arrive more than 10 min early. ● Students are required to wear facial coverings / masks. ● Each student should bring their own filled water bottle. ● Each facilitator will meet their students at the door. ● At the end of the day students will be dismissed one at a time to their cubbies. Students will report to a designated cone outside or back to their study room spots until the parent arrives for pick up. <i>(Parents please be on time for pick up to allow teachers ample time to clean before dance classes in the evening)</i> ● Students/Parents must conduct a self assessment and not enter the building if exhibiting symptoms of any sickness, have a fever of 100.4 or higher or have been exposed to COVID-19. ● We will screen for temperature upon arrival and anyone with a temperature higher than 100.4 will not be permitted to participate that day and must remain fever free for 48 hours without fever reducing medication before returning to their learning bubble. We also will ask if there has been exposure to COVID-19 and/or experiencing symptoms. |
